## Metropolis Pictorial Stepping Yards Japan

**birds, ii - metmuseum** - yards and palace gardens in the imperial city. one might almost mistake the metropolis for a bird sanctuary. indeed, before it was named peking it was called yenching, the swallow ... stepping dain- tily from lily pad to lily pad, accompanied in the proper season by absurd, delightful chicks. **ch2 copy - criticaltheoryindex** - an emerging latino metropolis alessandra moctezuma + leda ramos since 1995, the artist team alessandra moctezuma leda ramos has been investigat- ing the terrain between art and architecture, community issues, public space, and popular culture through installation and site-specific art and design. alessandra
